EDUCATION

University of North Carolina at Wilmington   **Wilmington, NC**
Bachelors in Science

HarvardX: Intro to Computer Science
Full Stack Software Engineer Certificate

PROJECT EXPERIENCE

Portfolio Website
Sep 2023 - Sep 2023
- Developed and implemented a fully responsive minimalistic personal portfolio website showcasing a collection of projects created using HTML, CSS, and JavaScript. The technique could be used to create websites or landing pages for clients.
- https://pinkkingsaturn.github.io/

Music Player
Aug 2023 - Aug 2023
- Designed and programmed a fully responsive Apple music-inspired web player that uses HTML, CSS, and JavaScript to play local MP3 files. It is able to be customizable and accessible to a client.
- https://github.com/PinkKingSaturn/Music-Player

Pixel Art App
Aug 2023 - Aug 2023
- A fully responsive web-based application that allows the creator to design and paint pixel art. This was developed using HTML, CSS, and JS. This app would be able to be turned into a phone application.
- https://github.com/PinkKingSaturn/Pixel-art-app
